Dear Alicia & Bob,

*As our time here draws to a close, words seem inadequate to express the beauty of this place. We really enjoyed our time here.*

*Carl & I came to Maui to celebrate our 30th anniversary. (This was our 1<sup>st</sup> trip to Maui). The pictures we saw on the internet were nice, but just say we were even more impressed with the view when we walked in the door of your home! Amazing!*

*We have had a perfect lend of exciting activities (road to Hana, Haleakala crater, snorkeling) & relaxing.*

*We hate to leave this beautiful paradise called Maui.*

*Thank you for sharing your home with us.*

Alicia and Bob,

As Nancy and I prepare to leave, we will take with us fond memories of our week here in Maui and of your apartment. Previously, we have visited Maui on several occasions. On the last we traveled with our two daughters and my brothers family. On that trip we stayed in other units at the Mahana. This time with each of our kids participating in separate language immersion programs, we came alone. What a fabulous time and place this was for us to rewind.

Your wonderful apartment suited us particularly well! On the way here, we stocked up at Costco that allows us to spend most of our time cutting back while we limited out need to go out to eat. Your well stocked and beautifully furnished condo helped in that regard. Also, we traveled with a laptop and several DVD's. Because your unit is technically updated, we enjoy both to the fullest.

Finally we found your location on the 3rd floor to be ideal its far enough above the action to feel comfortable and close enough to feel a part of the beach.

Thank for letting us use your unit. We took care to treat it gently and to respect your guidelines. Hopefully you will allow us to return sometime in the future.

Nancy and Mark Z

Alicia & Bob,

Thank you for an incredible place! What a place of beauty. I have loved my 2nd visit to Hawaii. My first visit was to Kauai & Oahu. I have truly enjoyed the contrast of Maui. It is so great to see God's creation.

Being from Oklahoma, waking up to the ocean and its splendor is a gift and a blessing. I can't wait to return and see more of Hawaii for its people are charming and the beauty seems to draw you closer to God.

Pearl Harbor was wonderful the second time, but my favorite has been parasailing on Maui.

God Bless,  
Daren Meyer

Alicia & Bob,

*This has been one of the most incredible vacations of my life! I spent the first part of m week in Wailea with Team in Training (the Leukemia Society) We did a triathlon to raise \$ for treat for Leukemia patents. Your condo provides the perfect place to complete our stay (Now I know why you laughed when I asked if there were pretty beaches outside your condo). The view from here is spectacular and the sound of the waves sings you to sleep at night. We are already planning our return trip, next year.*

*Thank you again for the wonderful place to stay. I certainly experienced the Ohana spirit while I was here.*

Mahalo,

Aloha!

My husband and I are at the end of our honeymoon leaving tonight to head back home (Washington State). We have both been to Maui before, each with our own families. However, this visit was very special and one we will remember for the rest of our lives. It was nice to know that we had a great room to come home to every night. Our honeymoon was filled with many activities including sport-fishing, luau, and snorkeling. On our sport fishing adventure we were fortunate to catch a 25lb ono and 10 lb mahi mahi. Our most favorite activity was eating at many fabulous restaurants. Well now its 11:00 am and time for checkout. We had a great honeymoon-vacation and we hope to come back and visit.

Mahalo,

Dear Alicia & Bob

*We saw all the pictures online. We watched a video of a couple (in another unit) on U tuber . We knew what to expect But when we opened the sliding door, our jaws dropped at the stunning view.*

*We came to relax. Mission accomplished! When we were out and about, the answer to the question of what do you want to do! shall we just go back home to our condo? Was always Yes.*

*We had our 25th Anniversary dinner at the Four Seasons at Wailea. It was a wonderful experience. The outdoor setting is the stuff of travel magazines & resort brochures. Pricey bet perfect for the occasion.*

*We seriously considered pushing the privacy button and barricading ours selfs until extracted by the US Navy towards the end we decided to book earlier for next year.*

*Aloha Bob & Alicia*

*This has been an absolutely wonderful week in paradise! We were married on the beach in front of the Mahana on Wednesday. Our Minister, Kimo, blew the conch and chanted the blessing in Hawaiian. It was the most profound moments I our relationship. We ware truly blessed! After the ceremony, we dined at Vino in Kapalua. The tapas were divine, especially the pork tenderloin braciolo.*

*We love the upgrades your have made since last year when we were there. We are already planning net years trip.*

Aloha Alicia & Bob,

*Thank you very much for the wine we enjoyed drinking it while we watched a beautiful sunset. We arrived mid January and celebrated both our birthdays in this terrific place. Thank you for sharing your wonderful home with us. Your home is fantastic. It has been wonderful walking on the beach and enjoying the whales. Our weather has been perfect. We very much have enjoyed the pool and barbecue areas. We have met a lot of nice people while we prepared our dinner. Thanks for the new lanai furniture it is very nice and comfortable. We have spent endless hours enjoying the views day and night. I have left some books for you to enjoy next time your back. We have 2 more days before we leave to go back to the very cold weather in Sarnia, Ontario Canada we will be very sad to leave. Thank you very much for the opportunity to use your beautiful condo. The location is excellent. The condo itself is very relaxing with amazing views and great furniture.

We were able to see countless numbers of whales, a pod of about 25 dolphins no more than 50 feet from the shore and a couple of turtles

Kimo's and the Plantation House Restaurants were both excellent restaurants. Visiting the blow hole was also amazing,

Thank you once again for opening your home to us. We will see you next year.

Aloha Alicia & Bob,

*Wow what a view!! My husband & I had a wonderful 2 ½ weeks in your beautiful home. We enjoyed breakfast on the patio, watching sea turtles and whales play, and of course the beautiful sunsets in the evening. We had a very nice Christmas dinner at the Plantation House &€" fantastic view! There is a new Chinese restaurant in Lahaina call Zuihao which was very good and reasonable price. Other favorites were Stella Blues for the pancakes, Alexanders for Fish & Chips, Bubba Gumps, Kimos, Hula Grill and Lahaina Grill & Oyster Bar. We leave today for more days of sunshine in Wailea before we head home to the cold weather in Alberta.*

*It has been a very relaxing holiday and we thank you for providing such a beautiful place to unwind!*

Aloha,

I agree with Alicia! My least favorite thing to do here is head to the airport.

This is (I think) my 9th stay at the Mahana and I am never disappointed when I arrive here.

This was a brief stay and glad it worked out. Your unit is great looking forward to having my husband here with me for our extended stay in Jan 2008

Jo Anne Sathoff

We loved your beautiful condo! We enjoyed every minute of our vacation in Maui. The view is fabulous! We drank our coffee on the lanai every morning and even shared our breakfast with a cardinal one morning.

Our favorite place to eat was the Hula Grill. The crab-macadamia nut wontons are so good. The Hula Pie at Leilani's on the Beach was to die for.

We survived the Road to Hana – and are still speaking. The sights were awesome.! No need for a picnic. We ate at the Hana Bay at Tutus – great burgers.

We will be back next year. I will be contacting you soon!

*Mahalo- your up-grading is perfect- nicer than our home. We will remember #316 if we are blessed enough to return to this paradise. We have been in several other units – always happy and content- yours is exceptional.*

Thank you so much for the hospitality. We have enjoyed 316 very much. There wasn't a daylight hour that I wasn't able to watch the whales play! We loved Kapalua Bay for swimming and snorkeling and Black Rock. There is a parking lot between Sheraton & Kaanapali Beach Hotel available to park in for free if you get there early in the day for public access. Bubba Gumps is a must & if you go to the Wailea shops – Cheeseburgers, Mai Tais and RocknRoll is a great place to eat.

*September 7, 2005*

*First we must say "thank you" for opening up your home to us. There is a warm, welcoming presents here I have not felt in other places. This is my daughter & second visit to Mahana in the past year and it did not disappoint (our first in #316) Having spent 4 days in Kipahulu I was worried it might take some to relax again amongst the "busy" west side. But alas! Five minute of watching the ocean from the lanai quickly set my worries aside.*

*Ty & I thought maybe Mahana was another meaning "Rainbow". There seems to be one nearly all the time. We saw a pod of 50+ dolphin not far off shore the day we arrived. Got some great pictures of them jumping into the air.*

*We finally rented snorkel gear and checked out the reef between here and black rock. Saw lots of beautiful fish and moray eels.*

*Our last stay at the Mahana was two doors down. Your unit has three advantages – carpeted floors, comfortable furniture and an unobstructed view out the windows.*

*We have left the small cooler we bought in Hana for future guest use. We'll be back.*

*Mahalo & Aloha Sue & Ty – Spokane WA (the beautiful dry side WA)*

*PS try the sushi place across the street HIME we take it to go & eat on lanai at sunset.*

Thanks for letting us share your beach house. We had an amazing time. The Hawaiian sunsets & sunrises were beautiful. The rainbows were awesome. We hope to return someday

*Dear Bob & Alicia*

*Were definitely recommend "316" to all our friends & family. And I hope we can return sometime in the future. The wasn't our firs visit/stay at the Mahana. We cannot get the image of the ocean out of our heads for at least a moth after we return to Napa.*

*The sounds of the ocean at bedtime! Its heaven here.*

*One suggestion – we need Kitchen shears. The new pots and pans were great!*

*Wish we didn't have to leave your beautiful home.*

Dear Bob and Alicia,

We absolutely love your condo. The view is breath taking. We just got "married" here two days ago. The wedding was up at the Sheraton. We will be staying here for a few days then over to Lanai for the honeymoon. We had many friends & family come over for the wedding. Each one of them that come to our condo gasped when we they saw the view.

Everything was perfect- wouldn't change a thing. I love your decor – especially the little shirts hanging on the wall. What a great idea!

Thank you for the use of your lovely place.

Bob & Suzanne Zio

*Bob & Alicia  
You don't have to be her for us to fell your hospitality. The only bad thing is the realization that we have to go home and leave it. This room and the view became one of our favorite places on Maui. I used those nice new pans\ and cooked breakfast nearly every morning. We at on the lanai while watching the rainbows over the ocean: Awesome! I guess the whales are beginning to leave, as we saw only a few in a far distance on one day Even the What Watching boat trip we only saw one surface the water once. We probably wont be back since were saving for retirement and this was our "once in a lifetime" trip. Thank you for making it very special and one we'll never forget.*

What a Delightful visit!!

The humpback whales put on quite a show  
Rainbows almost every morning...  
The view from the window was fabulous!!  
We enjoyed Lahina – what a fun town!  
Whalers village was great shopping fun- don't forget to look at the sperm shale skeleton...

Across the street from the main entrance to this place is a small strip shopping center a fun, quirky restaurant here is name "the Soup Nutz" They serve very good food, especially br3akfast and lunch. It's a nice walk from here.

Don't forget to walk along the beach!  
Adults find it visually stimulating kids find the coral and shells fun to collect, that have been washed upon the sand.  
All in All – We loved our stay here. Thank you for providing such a beautiful, comfortable place to stay.

*Hello from Minnesota-*

*We love the room 316 and the honeycomb blinds are great...; we've stayed at the Mahana many times and this unit we really like. The upgraded televisions have super-great picture- love the flat screen. We are snorkelers and had a great time at Kapalua Bay and Black Rock. Watching whales from the great large windows is spectacular. Lots of great food - we recommend Hula Grill, Cheeseburger, B.J.'s Pizza, and Leilani's on the Beach. It is also fun to walk to the outdoor market on Mon, Wed, and Fri. We will be back.*

*January 26, 2005*

This room is beautifully remodeled! It is fresh and open, and the view is spectacular! We love having breakfast on the lanai to watch the whales play. The only negative is the sliding screen on the lanai; it blocks the full view. And there was also no blow dryer Besides that, everything else was wonderful!
